

## **Major Changes Adopted for SYA Little League in 2021**

We have adopted the 2 player pitch levels for this spring season due to low registration numbers. We will play by Majors and AAA rules.

Roster size may vary across player pitch levels as we try to balance pandemic realities and registrations.

Machine Pitch, Rookies, Coach Pitch, and TeeBall are now allowed three (3) rostered assistant coaches.

Games at the player pitch level may now be started with 8 players. The 9<sup>th</sup> spot will just be skipped over. Any players arriving late are entered into the batting lineup at the bottom of the starting lineup.

“Plate” umpire will be calling balls/strikes from behind the pitcher at the start of the spring season. Pending on pandemic directions, this may evolve over the course of the season.

AAA may now play no more than one doubleheader per week, two at the Majors level.

SYA Little League has not adopted the courtesy runner for the pitcher/catcher.
