

# EC Lawrence Park Athletic Field Lighting Operation

**SYA Little League has already provided the game schedules to the Park Authority to coordinate the use of lights in advance with the Park Authority.**

For more information, call FCPA Area 5 Management at 703-222-8774.

1. Lights are available only to users with a valid permit issued by the Fairfax County Department of Recreation and Community Services or with the prior written permission of the Fairfax County Park Authority.
2. **Lights are for games only.** No practices or scrimmages may be conducted under the lights (except for warm-ups prior to a game).
3. For games, **the lights are available one hour before sunset or no more than ½ hour before the scheduled start of the game**, whichever is later.
4. The lights will go off automatically no more than ½ hour after the scheduled end of the last game or no more than 15 minutes after the end of the last scheduled practice (there is no such grace period for games scheduled to be 2 ½ hours or longer, and only a 15 minute grace period for games scheduled to be 2 ¼ hours). Lights are not available to a group after the end of their permit.
5. If the lights are still on when play is finished on all fields, please turn them off. If play is not finished on all fields, only attempt to turn-off lights if you can see well enough to be certain that you are not turning off the lights for a field which is still in use!
